GOORING STOVES

The Burning of the gas and smoke arising from the coal, by which 50 per cent of fuel is saved, and a more intense heat thrown to the bottom of the Oven. In introducing this greaty-improved "GasBurning Stove, we wish"

it distinctly understood that it is not our design to use "GAS"

Would respectfully call the attention of this community to one of the greatest improvements

In disposing of them, but will WARRANT every Stove we sell to be what it is represented. This is not the only pattern we propose selling. We have the most improved patterns of

WOOD COOKING STOVES. Without dwelling upon the merits of the different patterns, we will con-

PARLOR AND OFFICE STOVES Can't be best, either in quality, or in cheapness, and we defy competition

In addition to our besty stock of Stoves we will keep constantly on hand and manufacture to order, TINWARE.

TO THE CITIZENS OF MEIGS AND ADJOINING COUNTIES:

The above remarks will demonstrate to you, in &

certain degree, the nature of the business we intend to prosecute. The manner in which it is to be done, naturally suggests itself. Do you wish to buy on credit? Then you have simply been wasting your time in reading our card. We cannot sell at our prices without losing money, if we have to credit. We have therefore, concluded to sell exclusively for

CASH, And exchange for Old Metal, Brass, Pewter, Copper, Rags, Old Silver, &c., at their highest Past experience has proven the beneficent results of the cash system, to both purchaser and eller, and it is for the benefit of our customers—who can buy much cheaper—as well as for our own-who can BUY and SELL cheaper-that we adopt this system. We respectfully invite you to call and see the improvements in our Stoves, whether you wish to purchase or not; but we warn you, as you value your hard-carned money, not to lavish
